Dear Midland community,

The Midland School Board of Trustees has embarked on the search for our next Head of School, who will join us in Summer 2024. We have chosen Storbeck Search as our partner to support this important process. We will engage and welcome current and former students, as well as parents, faculty, and staff to share input and feedback. The voices and perspectives of Midland's community will be integral throughout the search.

We are deeply grateful for the leadership of Christopher Barnes, our current Head of School, and we look forward to spending time celebrating his many accomplishments and contributions to Midland before he and Molly sail off on their next adventure.

We expect to complete the search process and announce our new Head of School this fall semester. Christopher will continue in his role through the upcoming 2023-2024 academic year and we know his leadership, along with that of our faculty and staff, will support this new chapter in our mission.

Sincerely,

A handwritten signature in blue ink that reads "Tom Mone".
